REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

Claims 1-3 are allowed because none of the prior art references of record teaches an ink jet recording apparatus comprising an ink reservoir that is provided in an ink channel between a deaeration device and an ink jet head, wherein a level of a surface of ink in the ink reservoir is different from a level of a nozzle of an ink jet head such that negative pressure is applied to the ink nozzle and a preventative member that floats on the surface of the ink in the ink reservoir and prevents contact between the ink and air in the combination as claimed.

CONCLUSION

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
